LOYALTY REWARDS PROGRAM RULES

1. There is no limit to the amount of Cash Back Rewards you may receive. You will receive a quarterly statement that tracks your total purchases and rewards.
2. Cash Back Rewards are earned on "Net Purchases" only, which means purchases of goods and services excluding any return credits, charge backs or sales taxes. Net purchases do not include, and rewards are not earned on, finance charges, past due invoices or any other non-purchases transactions. Other exclusions apply. (See Criteria #3 under Customer Participation Requirements).
3. Rewards are paid by check to the order of the Organization or Company named on the account and will be generated quarterly, payable by the 25th following the end of quarter.
4. Rewards are not available in the form of reductions in the amount of any account payments due.
5. Cash Back Rewards are earned based on the actual level of purchases and not on the level of participation selected.
6. To earn and receive Cash Back Rewards, your account must be open and in good standing. If your account is voluntarily or involuntarily closed, no disbursement will be made of any earned rewards. If account status is never returned to good standing, any earned rewards will be forfeited.
7. **COS** assumes no tax liability for Cash Back Rewards earned or paid on your account. However, **COS** will book your Cash Back Rewards as a sales discount.
8. These Cash Back Rewards program rules are not provisions of your **COS** Account Agreement, and **COS** reserves the right to change or discontinue this Loyalty Rewards Program or any of its features or to change any of these Loyalty Rewards Program rules, at any time without notice.

If you do not meet the minimum requirement and satisfy the credit terms established your participation in this program will be discontinued. Participation levels may be changed i.e. upgraded or downgraded at the discretion of either party based on overall purchases.
